REQUEST FOR STANDING OFFERS (No 19-070)

Consulting Engineering for Operational Projects for Wastewater Services – 3-year Standing Offer Agreement.

Addendum #3 – Questions and Answers

Issued: Tuesday, November 5, 2019

This addendum shall be read in conjunction with and considered as an integral part of the Request for Standing Offers. Revisions supersede the information contained in the original Request for Standing Offers. No consideration will be allowed for any extras due to any Proponent not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

Questions and Answers

This following is a compilation of questions received from possible proponents up to 2:00 PM on Monday, November 5, 2019, and the answers to these questions.

1) ***Question:***

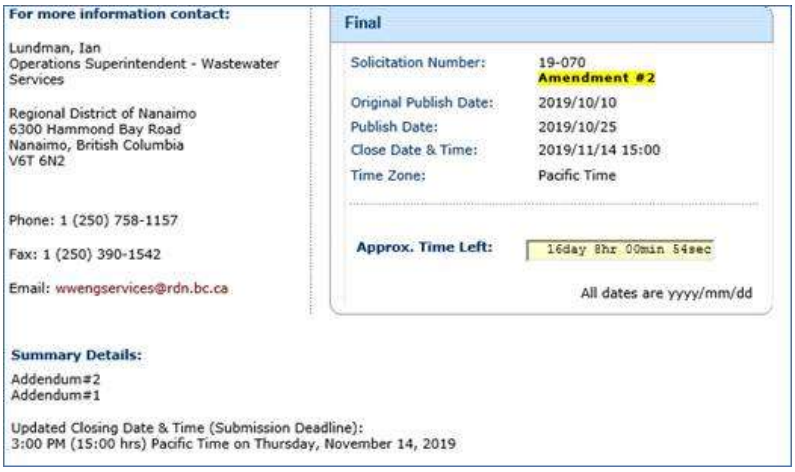

Wastewater & Industrial Process Mechanical Engineering – is RDN looking for Building Mechanical (ducts, HVAC, etc.) in this category, or Process Mechanical (pipes, valves, etc.)?

Answer:

The RDN is looking for Process Mechanical (pipes, valves, etc) in this category.

2) ***Question:***

We would like to clarify whether any files or summary details will be provided for Amendment #2/Addendum #2, noted as an update in the BC Bid site (see screenshot below).

Answer:

Only Addendum #1 was issued.

Addendum/Amendment #2 and associated notifications were created automatically by BC Bid when we subsequently updated the submission date on BC Bid to match Addendum #1. Our apologies about the confusion.

To allow our numbers to match BC Bid, we have issued this document as Addendum #3.

3) Question:

I have not seen a Standing Offer before from the RDN, is this a new approach the RDN is using for projects?

Answer:

The RDN Wastewater Services department has used the Standing Offer procurement approach in the past for engineering services for operational projects.

4) Question:

Will the Regional District of Nanaimo accept 11x17 pages in proposals responding to RFSO 19-070?

Answer:

Yes, we will accept 11x17 pages in Submissions to RFSO 19-070.
