REGIONAL DISTRICT OF NANAIMO

REQUEST FOR PROPOSALS No. 21-047

Qualicum Interceptor Hydraulic Analysis

Addendum 2
Issued: May 14, 2021

Closing Date & Time: on or before 3:00 PM Pacific Time on May 28, 2021

Questions & Answers:

Q1. **Are there any draft reports that the RDN would be willing to share during the proposal preparation stage? Specifically, the 2007 Interceptor and Pump Station Upgrade Strategy report mentioned in the RFP.**

A1. **No. The draft report will be provided to the consultant awarded the project.**

Q2. **Is the raw data available in CAD or GIS? Or will proponents be expected to generate the model from scratch from record drawings?**

A2. **The draw data is available in GIS. Of the 67 manholes in the interceptor, 64 have been GPS'd and have locations, while 3 have not been GPS'd and have just been drawn based off the engineering drawings.**

Q3. **Is there a preferred software to be used to develop the hydraulic model?**

A3. **InfoSWWM or XP-SWMM. However, models may be developed in other software and provided to the RDN in InfoSWWM or XP-SWMM.**
