REQUEST FOR STATEMENTS of QUALIFICATIONS No. 22-042

Development Permit Area Drafting Consulting Services

Addendum 1
Issued: April 7, 2022

Closing Date & Time: on or before 3:00 PM Pacific Time on April 19, 2022

Questions & Answers

Q1. Will the consultant be expected to complete any associated DPA mapping?
A1. Base mapping, including identification of 30% or higher slope areas, stream locations and tree cover, are available on RDN's GIS system. Depending on how the DPAs are drafted, basic sub-area identification may be required and may be available through the RDN's GIS system. A DPA covering all of Electoral Area F would require a simple map.

Q2. Can the submission evaluation criteria (e.g. evaluation matrix) be made available for consultants to review for consideration in preparation of submissions?
A2. The evaluation criteria are listed in section D of the Request for Statement of Qualifications.

Q3. The RFSQ outlines submissions are to be directed to yourself; however, an email address was not provided in the RFSQ document. We would like to confirm that email submissions are acceptable.
A3. All submissions should be emailed to kfowler@rdn.bc.ca
