NANAIMO REGIONAL LANDFILL COMPACTOR GPS SYSTEM

Addendum 1 (2 pages)
Issued: June 16, 2022

Closing Date & Time: on or before 3:00 PM Pacific Time on June 30, 2022

This addendum shall be read in conjunction with and considered as an integral part of the Request for Proposal (RFP). Revisions supersede the information contained in the original RFP or previously issued Addendum. No consideration will be allowed for any extras due to any Proponent not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

Questions & Answers

Q1. Does the Regional District of Nanaimo have a GPS Reference / Base Station that supports NTRIP for this project? Does the RDN survey team subscribe to an NTRIP Solution such as Brandnet, Can-Net, or Smartnet?

A1. The RDN does not currently use a GPS Reference or Base station that supports NTRIP for this project. The RDN landfill does not currently have a survey team, nor does it subscribe to an NTRIP solution. It will be up to the proponent's discretion to determine if a GPS reference or base station will be suitable for this project and provide associated costs (such as base station hardware costs or data fees/subscription fees associated with GPS reference) for whichever solution the proponent deems suitable.

Q2. Please provide clarification on the landfill equipment to be installed on.

- In the background section of the RFP on page 3, equipment is listed as follows:
  - 2011 CAT 826H
  - 2009 CAT 826H (backup machine)
  - 2019 Komatsu D65PX-18
- In the deliverables and outcomes section on page 3&4, equipment is listed as follows:
  - 2016 CAT 826
  - 2016 CAT826 (backup machine)
  - 2020 Komatsu Dozer
- Please indicate which is the preferred fleet to utilize.

A2. The preferred fleet is the one listed in the background section which is as follows:

- 2011 CAT 826H
- 2009 CAT 826H (backup machine)

- 2019 Komatsu D65PX-18

Q3. Can we coordinate a visit to the landfill?

A3. Site visits can be coordinated by interested proponents. Any questions that arise during a site visit with a proponent will be summarized and answered in the form of an addendum and posted on the RDN website for all proponents to read. Please note, the deadline for questions pertaining to the RFP is 5 days prior to the closing date and time. Therefore, any questions that arise from a site visit after June 25th may not be answered in addendum form.
