Tender Addendum

Q1. Regarding Provisional Item G2 Drip Irrigation for the trees. Is the tree drip system to include the shrubs? If no, are we responsible for the maintenance of these plants? And if we are, would a second zone be allowed to water them?

A1. For Provisional Item G2, please include an additional zone of drip irrigation to water the proposed shrubs shown on L4.0 in the project drawings by Lanarc.

The one-year project warranty includes all new plant material and applies whether or not any provisional items are awarded.
