Closing Date & Time: on or before 3:00 PM Pacific Time on February 23, 2023

Questions & Answers

Q1. Could you please tell me what the price of doing this contract was for the last year?

A1. From the RDN's 2021 Statement of Financial Information (https://www.rdn.bc.ca/sites/default/files/inline-files/2021%20Statement%20of%20Financial%20Information.pdf), a report published annually and publicly, the RDN spend with the current supplier was: DEBRO CONTRACTING $54,323.58 including all applicable taxes.

At this time, the 2022 spend is not readily available as the RDN's year end just closed on December 31, 2022. It is expected this spend information will be available publicly on or before June 30, 2023

Please also note that the scope of services has changed since 2021 and this amount is not reflective of the current scope of services as outlined in the Request for Proposals No.23-012, Appendix B.
