REQUEST FOR PROPOSALS No. 24-004

Melrose Terrace Reservoir Repair Project

Addendum 2
Issued: February 7, 2024

Closing Date & Time: on or before 3:00 PM Pacific Time on February 13, 2024

This addendum shall be read in conjunction with and considered as an integral part of the Request for Proposal. Revisions supersede the information contained in the original Proposal or previously issued Addendum. No consideration will be allowed for any extras due to any Proponent not being familiar with the contents of this Addendum. All other terms and conditions remain the same.

Questions and Answers:

Question 1: How long can you afford having the tank out of service?
Answer 1: Maximum 4 weeks will be our preference for the tank to stay out-of-service. This is not a hard timeline and we would be flexible to adjust this duration as per the construction challenge.
However, as stated in the RFP, the project must be completed by August 30, 2024.
