REGIONAL DISTRICT OF NANAIMO

NOTICE OF INTENT TO AWARD CONTRACT No. 25-050

Issued: November 3, 2025

Vendors are advised the Regional District of Nanaimo (RDN) intends to direct award a contract to Alfa Laval for the provision of the design and supply of a new Centrifuge #1 Control Panel for the Greater Nanaimo Pollution Control Centre (GNPCC).

Services include, but are not limited to:

- Control panel design and supply
- PLC and HMI programming
- Supply of replacement centrifuge instrumentation
- Field commissioning

The estimated value of the agreement is greater than $75,000.

The RDN wishes to direct award for the following reasons:

- Alfa Laval are the original manufacturers of the centrifuge equipment being controlled, and are knowledgeable regarding the technical requirements
- All other existing centrifuges and centrifuge control systems at the GNPCC, and the RDN's French Creek Pollution Control Centre, are systems designed and programmed by Alfa Laval.
- The new system will have continuity of spare parts with other existing centrifuges and centrifuge control systems.
- RDN maintenance and operations staff are knowledgeable and have been trained on the Alfa Laval equipment and control systems previously provided.

Vendors wishing to challenge the RDN's intention to direct award a contract to Alfa Laval must submit their objection, in writing, via email to the following person on, or before 3:00 p.m. PST on November 17, 2025

Chris Mathie, Project Engineer, Engineering Services
Regional District of Nanaimo
Email: cmathie@rdn.bc.ca

Objections must be submitted on company letterhead and be signed by an individual authorized to represent the company submitting the objection. Vendors must clearly state the reasons why

they believe they are qualified to supply the services that are being proposed to be direct awarded and why the services should be competitively tendered.

The RDN retains the right to determine its future course of action depending on any responses received and to perform its due diligence as required prior to making a final decision.
